

Development Specialist

Full-Time | St. Gianna Clinic – De Pere, WI

Join a Mission That Heals, Inspires, and Transforms Lives.

St. Gianna Clinic is more than a medical practice — we're a faith-inspired, multi-specialty clinic devoted to providing exceptional, life-affirming healthcare for the whole person: body, mind, and spirit. As we grow to meet the needs of our community, we are seeking a self-starter with an entrepreneurial spirit, who is passionate, relationship-driven and enjoys building relationships with mission partners. A Development Specialist to help advance our mission through strategic fundraising, donor engagement, and community partnerships.

Your Impact

As the Development Specialist, you'll be a key architect of the clinic's philanthropic future — cultivating meaningful relationships with donors and community partners who share our commitment to providing compassionate, accessible healthcare for all. You'll work independently as a self-starter with an entrepreneurial spirit. Collaborating with leadership to design and execute fundraising strategies that sustain and expand our mission.

Key Responsibilities:

- Build and nurture relationships with individual donors, foundations, and corporate partners.
- Plan and execute fundraising campaigns, special appeals, and donor recognition initiatives.
- Coordinate grant research, proposal writing, and reporting.
- Oversee donor database management and ensure accurate gift recording and acknowledgement.
- Partner with Marketing to develop compelling donor materials and mission stories.
- Support special events, sponsorships, and community engagement efforts.
- Track and analyze fundraising progress and provide regular reports to leadership.

What We're Looking For

- A genuine passion for faith-inspired mission work and community health.
- Exceptional interpersonal and communication skills with the ability to go out and connect authentically.
- Creative storytelling ability - can translate impact into inspiration.
- Proven experience in fundraising, development, or a related field.
- Strong organizational skills and attention to detail.
- Ability to thrive in an environment of newness, which is fast-paced and purpose-driven.

Why Join St. Gianna Clinic

- Be part of a dynamic and growing mission-based organization making a measurable difference.
- Collaborate with compassionate professionals in a faith-filled, positive environment.
- Competitive compensation and benefits package.
- Opportunity for professional growth and meaningful work that changes lives.
